REPLY TO NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner for Patents
P. O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

Applicants reply to the Notice of Non-Compliant Amendment mailed March 28, 2005 as follows.

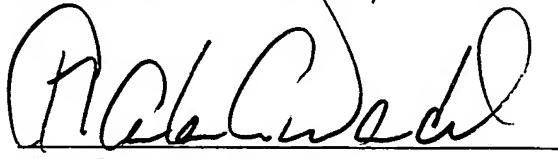

This will confirm the telephone conversation with the Examiner on March 30, 2005 wherein it was pointed out that claim 56 in the Amendment filed December 29, 2004 merely reinstated lines that were dropped by inadvertence in the Preliminary Amendment. Claim 56 as originally filed reads exactly as it does in the Amendment filed December 29, 2004; thus, the claim has not been amended and there is no need to indicate that it has been amended or that text has either been added or eliminated.

Serial No. 10/642,212

Continued examination of the application is earnestly solicited.

Respectfully submitted,
